

**APÊNDICE A – Espectros de NIR obtidos no Estudo de Sensibilidade dos
Espectros de Infravermelho Próximo a Grades Industriais de PVC**

Figura A.1 - Espectro bruto de NIRS da Resina B.

Figura A.2 – Primeira derivada do espectro de NIRS da Resina B.

Figura A.3 - Segunda derivada do espectro de NIRS da Resina B.

Figura A.4 - Espectro bruto de NIRS da Resina C.

Figura A.5 - Primeira derivada do espectro de NIRS da Resina C.

Figura A.6 - Segunda derivada do espectro de NIRS da Resina C.

Figura A.7 - Espectro bruto de NIRS da Resina D.

Figura A.8 - Primeira derivada do espectro de NIRS da Resina D.

Figura A.9 - Segunda derivada do espectro de NIRS da Resina D.
